Club 2G Luach
November 2026

Dear Club 2G Members,

We have been informed that the **funding for Club 2G will be discontinued** as of December 31, 2006.

The good news is that **we are not closing down the program!** Club 2G will continue to operate as a unit within the Boro Park Y agency, and we will continue to sign in members as before.

However, it is obvious that the **programming will be affected** - for example, trips both large and small can only be maintained with members defraying the cost (this month's trip to NYBG is still free!). Certain exercise- or other classes will be shared with Club Nissim, while others may be attached to the Senior Center. There will also be staff changes, and some of our beloved personnel will only be seen on a modified basis. However, we will

This month's calendar is significantly thinner than what you are used to seeing, but it does not reflect a complete picture of the future - as we work on reconfiguring the program, we will keep adding more content, continuing with as many activities as possible with funding from other sources. We are facing a period of transition, and we welcome your input in the process - if you have questions or suggestions we want to hear from you. On our side - the staff side - we are committed to providing services for Club 2G!

Independent Living Resources for Women Who Live Alone

Living independently comes with its own unique set of rewards—and challenges. Join Rebecca Weingarten and Malky Hertz for a practical, warm, and supportive monthly series focused on taking charge of your life with confidence. Together, we'll explore practical resources, self-advocacy in healthcare and community settings, financial and personal safety, and how to build a strong personal network. It's a space to learn, share, and connect with other women on the same journey.
